Meeting of Madison Environmental Commission complies with P.L. 1975 c. 231

There were no letters, communication or site plans to review.

No visitors attended the joint meeting.

The MEC meeting was adjourned at 7:40PM

The Sustainable Madison Meeting was called to order at 7:40PM.

Recertification was the main focus of the meeting. The points needed for recertification were reviewed and assigned to committee members. Discussion about how this certification was different than Sustainable Schools certification ensued. The members of Sustainable Madison reviewed what had been completed and what needed to be completed in order to create a better idea of the committee's progress towards recertification.

The meeting was adjourned at 8:20PM.
