3rd Quarter Property Tax Bills 2016

Third quarter tax bills were mailed on July 12, 2016 with payment due date of August 1, 2016. Residents should note the short turnaround time. The Borough's normal 10 day grace period will apply. As in years past, these bills will include the final payments for 3rd and 4th quarter of this year and preliminary payments for the 1st and 2nd quarter of next year.

Residents that will be away during the second half of July have two options. First, you can pay your property taxes on-line at anytime from anywhere by logging onto www.rosenet.org and clicking "Online Bills". Make sure you have your bank account and routing number as well as your property's block and lot number. If that option does not work for you, then you can call the Tax Collector at 973-593-3056 to find out the amount of your third quarter tax bill.

If you have any questions, please call the Tax Collector's office at 973-593-3056 or email taxcollector@rosenet.org.

Notice of Electric Power Outage

Please be advised that the Madison Electric Department will be shutting down the electric power to a portion of the commercial district on July 18, 2016 at 10:00 p.m. for scheduled maintenance of the underground electric infrastructure. The scheduled outage is expected to be approximately four hours. [Click for full details.](#)

Summer Seminar Series

Madison Public Library: The 32nd year of our free Summer Seminars begins! The seminars and performances, which run through August 4th, 2016 last from 60—90 minutes, and are sponsored by the Friends of the Madison Senior Center and the Friends of the Madison Public Library. From politics and bridges to gardens and Presidents—look for a wide range of topics. No registration required. [Click for full event details.](#)

Madison Farmer's Market 2016

The Madison Farmer's Market, sponsored by the Downtown Development Commission, is officially open and will run every Thursday until October 13, 2016. The market is located on Central Avenue between Main Street and Cook Avenue. Come out to find the freshest, most delicious foods a market can offer! For more information please [click here](#) or email ddc@rosenet.org.

Madison Electric Curtailment Voluntary Program

By voluntarily reducing our energy consumption for just a few hours during the hottest summer days, Madison residents and businesses can help reduce peak charges. These savings can help reduce electric rates and property taxes! [Click for simple, no-cost and low-cost strategies!](#)
