2016 RECYCLING REVIEW

## Fall 2016 Leaf Collection

### Message from the Borough of Madison Department of Public Works

The town offers **three** ways for residents to dispose of their leaves:

**1. Leave containers at the Curb:** Weekly curbside collection of yard waste in containers will start March 14, 2016 and continue until December 14, 2016.

**We encourage using containers for leaf collection as it is efficient, environmentally friendly and the best option for storm water management. Free leaf bags are available at various municipal offices for Madison residents.**

**2. Bring to Municipal Garage:** Residents can bring leaves to the Municipal Garage on weekdays from October 24 to December 2, between the hours of 7:30 a.m. and 3 p.m. Note: this is weekdays only and no commercial dumping is allowed.

**3. Rake to Curb:** Collection will start on October 24 and weather permitting will continue until early December. Please get your leaves to the curb as soon as possible. December 2 is the last day to put out your leaves.

In order to make curbside collection of leaves more efficient, place the leaves on the street. This allows our workforce to use front-end loaders for pickup when leaves are wet. Please call the Department of Public Works at 973-593-3088 if you require any additional information.

# How to Recycle:

## Newspapers and Magazines

Newspapers, magazines, cardboard, catalogs, telephone books and junk mail should either be placed in a container, tied in small bundles, or placed in paper grocery bags. Also, do not place materials in the gutter on rainy days.

## A Word About Plastics

Plastic items coded 1 through 7 can now be recycled. Rinse your food and beverage containers. Remove lids and caps. There is no need to remove labels. Flatten your plastic containers to save space.

## Shop Madison and BYOB (Bring Your Own Bag)

The average American uses 500 bags a year. Please make every effort to reduce your use of plastic bags, or to reuse or recycle them at the recycling bins at Stop and Shop.

## Food and Beverage Containers

Glass, aluminum, tin and steel food and beverage containers and plastic soda, milk, water and detergent bottles may be mixed together and should be placed at the curb in a rigid reusable container such as a crate, bucket or garbage can, no more than 50 lbs. in weight or 30 gallons in size, no bags. If you do not use the proper container, it will not be collected.

## Weekly Collection

The Suburban Disposal collects recyclables every week. The material you set out at the curbside will alternate week to week. Commingled bottles and cans one week; newspapers and magazines the next and so on.
