All nominations, whether oral or written, must be made, seconded and then accepted by the individual nominated. At the beginning of the January meeting, the election officer will accept any nominations from the floor and call the roll to determine those eligible to receive ballots and cast votes. The election officer will prepare the ballots indicating the officers' title and a space in which the eligible voters can write in their choice for each officer's position. The election officer will

distribute the ballots to those eligible to vote. Upon completion of the actual vote, the election officer will collect the ballots and will then tabulate the results. The results will be verified by the Council Liaison and by any member of the Commission who is not running for election and who has been appointed by the election officer.
