

Sustainable Madison Advisory Committee (SMAC)

Agenda

September 17, 2019, 1 pm

1. Review and Approval of August Minutes
2. Upcoming Dates: SJ Energy Grants Webinar 9/18, Bottle Hill Day tabling 10/5, SJ Annual Luncheon 11/19
3. Action Leads to summarize each of their actions that may not be approved in this second review round and whether we are on track for them to be approved by year end
4. Action leads to identify actions where post-certification follow-up can help fulfill SMAC's mandate to advise and recommend (e.g., Companion Animal Pledge/Plan; Bicycle Audit; community visioning; energy tracking)
5. Brainstorm ideas for how the "Y" can green their expansion
6. Brainstorm ideas for a presentation to governing body on the town's sustainability accomplishments as seen through the lens of SMAC and Sustainable Jersey – when and how to present, what to include
7. Other business
