

# The Borough of Madison is now offering residents a voluntary Water Line Protection Program (WLPP)

## *Are you prepared for a Water Line Emergency?*

Most residents are unaware that they are responsible for repairs to the water line that runs from the street into their home. In addition, replacing a water line can cost \$3,000 or more. The WLPP offers Madison residents an affordable way to provide relief from the expenses and headaches related to emergency water line repair. If repairs are ever needed all you will have to do is call the Madison Water Department. If you have questions or need additional information, please call 973-593-8496 or 973-593-3092.

### Program Benefits

- **NO HASSLE:** WLPP eliminates the problem of finding a reliable, qualified contractor to do the job in a timely fashion.
- **PEACE OF MIND:** One less thing to worry about.
- **LOW COST:** Most water service repairs are covered by one low, annual fee.
- **PROMPT SERVICE:** Experienced, local and dedicated Borough employees are ready to serve you.

**\*The program costs \$89.95 per year for most single family residences. THIS IS A VOLUNTARY PROGRAM OFFERED TO RESIDENTS OF THE BOROUGH OF MADISON.**

### Interested in the Program? Here are the next steps:

1. Please fill out the application on the back of this page and mail it along with a deposit for \$179.90 (two years estimated service) to the Borough.\*
2. Upon receipt of the application, a Borough representative will inspect the property, usually within a few days.
3. If your application is approved, you will receive a Confirmation Letter from the Borough of Madison. If your application is denied, then your full payment will be returned.

\* Note, your home and water line will be inspected by representatives of the Borough of Madison before service is approved. Service can be denied. Alternatively, the fee for service may be increased for larger, longer or more difficult services.

Borough of Madison, NJ

### Water Line Protection Program Application
