

NEW
FIREARMS APPLICATION & REGISTRATION SYSTEM
(FARS)

Before you log on to the portal:

- Have a credit/debit card available
- Have all the information on your references that you need – accurate addresses/phone numbers.
- FARS will automatically time out in 20 minutes if you don't complete or save information.

Log onto: <https://njportal.com/NJSP/FARS> to start the firearms application process.

ORI# NJ0141700 – you will be prompted to put in this number.

- FARS is taking the place of the STS033 form.
- Applicant MUST enter their “Official Name”.
- Applicant must enter accurate phone numbers and emails for themselves and their references.
- Family members CAN be references.
- After all information required information is entered, a REVIEW PAGE will appear where you can edit all information into the application prior to final submission.
- If you are an initial applicant (never have had a firearm's ID card or permit to purchase) you will be able to PRINT OUT your FINGERPRINT FORM at the end of the application, and are directed to do so.
- Print out confirmation page and application at the end of the process for reference purposes.

Please feel free to contact me with any questions you may have. This is a brand new system from the NJSP that we are all learning about together.
